EHRP System Maintenance

The EHRP system will be unavailable for system maintenance from 10:00 PM on Saturday, December 3, 2005 until 7:00 AM on Monday, December 5, 2005 due to an emergency fix for I H S SAC codes. During this time DHHS will perform maintenance on the EHRP production database.

Typically, on non-end of pay period weekends the EHRP system comes down at 10:00 PM on Saturday for backups and batch jobs and is available again at 7:00 AM on Sunday morning. DHHS needs to keep the EHRP system down on Sunday to perform the database maintenance.

The system will be available at 7:00 AM on Monday, December 5, 2005.

We apologize for the late notice but the system fixes has been deemed necessary by the DHHS to decrease errors.
